the Dharwar Training College, that he may be permitted to contribute to the Mysore Govt towards his pension under art 390 of the Mysore Service Regulations

The Comptroller who was consulted in the matter refers to art 388 of the Mysore Service Regulations and states that "Contribution can be recovered, only, in cases "of transfer, and it is for the Govt to "decide whether the case in question "can be treated as one of transfer in "Conformity with art 388 of the Mysore "Service Regulations" The Comptroller also adds that "as Thimmappaya Shetty "sought employment in foreign service "of his own accord after taking 6 months' "leave in Mysore, his, apparently was "not a case of transfer in the ordinary "acceptation of the term."

In January 1902 (vide his ⊗ SL No 1
letter No ⊗ 8087 d 24th January 1902) the Director of Public Instruction, Bombay wanted to know whether the services of Thimmappaya Sastri could be spared and whether he was willing to accept the post of 4th Assistant Master in the Training College, Dharwar From the enclosure to that letter (No 7353 d, 13th January, from the DE Inspector, Southern Division to the Director of public Instruction Bombay), it

It is clear that a transfer of
S Thummappaya Sastrys services was
D Sl 804. asked for by the Govt in their letter No 13681/Ed 278
d 18th Feb 02 simply said that "the
"Services of Thummappaya Sastru can be
"spared and that he is willing to accept
"the place"

The Second comptroller, in whose
approving of the draft of the above letter (Sl No 4)
remarked as follows —

"What about his pension?
"That comes I suppose under the rule
"of proportion as per Code This may
"be looked into later on"

These remarks show that
a transfer of his services was intended
in Serial No 4

In these circumstances
the latter portion of the Comptrollers'
letter viz that Thummappaya Sastru
sought, on his own accord foreign service
does not seem to be in accordance with
facts
